

Dear Students,

If you are writing NEET, IIT JEE(Main), or CET exam for Medical or Engineering admissions you must visit eTestZone.com, take the demo, try it out, to study [The Smarter Way](#). To prepare well, and practice for these exams, you need to study regularly, measure yourself, and interact with other students, over 2 years of PUC / Intermediate / CBSE / ICSE class 11, 12.

eTestZone provides you with over 50000 **MCQAs**, Discussion Forum, Synopsis, Model papers, solved papers, analytics to improve yourself, for unlimited use on a very nominal cost. eTestZone is designed to be the most affordable practice service for these exams (serving students for over 5 years now) as we found too many students and parents are losing huge amount of time and money falling for misleading advertisements.

For your information, in 2016, over 16 lakhs wrote IIT JEE, NEET exam. Over 11.35 lakh are writing NEET in 2017! *In IITs there are about 10575 seats, in medical colleges, 53330 MBBS seats. Too many parents who spend (1 to 8) lakhs on coaching find out it didn't work out. Annually, parents lose over 20000-25000 crore rupees in chasing success in these exams. With eTestZone, you have The Smarter Way to prepare.*

eTestZone is deliberately priced low to reduce the financial burden of parents. You need not spend more than 9 rupees per day to let your children study for these exams per year. You just have to sacrifice a cup of tea per day, for two years! Students who diligently use eTestZone for 2 years do well in these exams.

Many students who leave studying for these exams to the end, take it up only after PU II / Class 12 exams, and find it too tough to handle. Crash courses cannot inject 90-100 chapters into a student's mind in 1-1.5 months. Humanly impossible! But, they NEVER tell you that!!

To register and pay for eTestZone license, we have multiple options – online, offline. You can pay by DD/ cheque, or do NEFT/RTGS transaction via netbanking. Once you pay, share your student particulars (Name, email id, phone number, address, institution name, city, required product pack, class – PU I/II, or Class XI, XII) via email (support@etestzone.com), call or SMS to us (Gururaj: 9945988820 / Shekhar: 9800278335) . We will activate the account on receipt of payment, and inform you accordingly.
